

This is a detailed topographic map of the Hengstfeld area in the Harz region. The map features numerous contour lines indicating elevation, with labels such as 400, 450, 500, and 550. A prominent thick black line traces a path or boundary through the landscape, starting from the upper left and winding towards the lower right. Several place names are clearly visible, including Hengstfeld, Cobbenrode, Henningshausen, and Hengstfeld. Other locations like Nieder-Marpe, Hengstfeld, and Hengstfeld are also marked. Elevation points are indicated by numbers, such as 518.7, 430.1, 477.6, and 422.3. The map also shows various geographical features like hills, valleys, and small settlements. The overall terrain appears to be hilly and forested, typical of the Harz region.
